

Federal Government Capabilities Statement

Corporate Overview

Great Fish Agility, LLC is a **Woman Owned Small Business-certified training and consulting firm** delivering leadership development, Agile transformation, and workforce training solutions to federal agencies, defense organizations, and regulated industries.

We empower government teams to deliver faster, lead smarter, and thrive in complexity by aligning strategy, systems, and people. Our solutions are experiential, measurable, and outcomes-driven — from Scrum Alliance certification programs to executive workshops and leadership coaching — grounded in neuroscience and organizational psychology.

With decades of experience, we have trained over **20,000 professionals** and supported mission success for organizations including the **U.S. Air Force, NAVSUP, NASA JPL, and DOT/FRA**.

Core Competencies

Agile Consulting & Systems Design (NAICS: 541511, 541512, 541519, 541618, 541690)

- Agile transformation for regulated industries (defense, healthcare, finance)
- Scrum implementation, flow metrics, and DevSecOps integration
- Scalable delivery systems for mission-critical software and operations
- Platform modernization and compliance-centered delivery

Executive Leadership & Workforce Enablement (NAICS: 611430, 611710, 541618)

- Leadership workshops for strategic agility & cross-functional alignment
- Coaching for directors, managers, and change agents
- Team programs on **psychological safety**, facilitation, and learning culture

Agile Certification & Training (NAICS: 611420, 611430, 611710)

- **Certified Scrum Master (CSM), Product Owner (CSPO), CAL, A-CSM, CSP-SM**
- Micro-credentials and custom workforce development programs
- Curriculum aligned with **federal LOs and OPM ECQs**
- Instructor-led, eLearning, and blended training options

Healthcare & Service Process Optimization (NAICS: 541614, 621340, 621610, 541990)

- Agile adoption in clinical workflows, telehealth, and home care operations
- Lean service mapping for care coordination and compliance-heavy environments
- Cross-functional coaching for regulated service delivery

Differentiators

- **WOSB Certified** – eligible for set-aside opportunities
- Direct delivery by **CST® (Certified Scrum Trainer) & CTC® (Certified Team Coach)** — globally elite credentials
- Over **20,000 professionals trained** across federal, defense, healthcare, and Fortune 100
- Proprietary facilitation frameworks (**Trust Curve™, PAIR Model**)
- Proven results in **high-security, compliance-driven environments**
- Small, nimble firm that **tailors every engagement** to the client's mission and culture

Select Federal & Enterprise Clients
